Book a "Beauty Farm Package" at the Castello Rosso in Piedmont, Italy, with your Visa card.

Set in the middle of an English-style park between Cuneo and Saluzzo, Castello Rosso, an ancient abode of the aristocracy dating back to the 14th Century, has returned to life, offering moments of peace in harmony with life, in an environment steeped in history. The Castle, which includes a hotel, restaurant, Meeting Center and Beauty Center, is far removed from noise and pollution, and is the ideal place to spend some pleasant days of work and/or vacation. The quality of service and minute attention paid to every detail makes every trip to Castello Rosso rich with style and comfort, with that little extra 'something' which makes a guest feel as if they were in their own home. In particular, it is perfectly adapted to meetings and seminars, for which clients are increasingly looking for places far from the city, preferring destinations that are both functional and relaxing. Castello Rosso aims to provide a rich experience, always putting the quality of our guests' stay with us first. The smallest "Beauty Farm" in Europe is located within Castello Rosso, a Beauty Center specialised in researching psychological and physical well-being, with programs that help you understand the messages sent by your body and mind.

The 2-night/3-day "Beauty Farm Package" includes 3 nights of full board (3 meals excluding drinks) in a superior room, plus the following amenities: Welcome cocktail upon arrival in the room or in the park, Massage (choose between shiatsu, relax or tonic, or linf); Body peeling treatment; Mud bath; and Jacuzzi with thermal salt and essential oils
