Enjoy a complimentary stress-relieving treatment when you stay at The Caves Hotel in Negril, Jamaica and pay with your Visa card.

The Caves Hotel in Negril, Jamaica is planted in a garden on the edge of the sea with its 10 handcrafted cottages. It's the perfect choice for guests who value spirituality, privacy, romance and verdant beauty. Its 2 seafront acres hide many secrets - sundecks and nooks, even grottos in the cliff itself. The high-ceilinged cottages are made of wood and stone and roofed in thatch. The Caves is the perfect choice for a romantic getaway or a personal retreat.
