third party in respect of a prospective Card Transaction and/or ATM Transaction.

If a merchant or establishment requests for an authorisation of a Card Transaction, the Bank may place a hold on the Account for the amount of the Card Transaction. If the amount of the Card Transaction is posted to the Account before the hold expires, the balance available to the Cardmember in the Account shall be reduced by such amount of the Card Transaction that the Bank place on hold. The Cardmember may not stop payment on a Card Transaction nor use any amount placed on hold. For the avoidance of doubt, the amount placed on hold in respect of any Card Transaction:

- (a) shall not be treated as conclusive of the amount of the Card Transaction that would eventually be debited to the Account and in particular, for Card Transactions denominated in a currency other than Singapore dollars; and
- (b) shall not be deemed that the Bank has converted the Card Transaction amount into Singapore dollars on the day that the amount was placed on hold.

It is hereby expressly agreed that the Bank shall be at liberty to convert such amount to Singapore dollars at such time and at such rate of exchange as the Bank may determine in accordance with its usual practice.

- (a) debit such amounts on hold to the Account if the Card Transactions in connection of which the amounts were placed on hold were presented to the Bank for payment; or
  - (b) credit such amounts placed on hold back to the Account if the Card Transactions in connection of which the amounts were placed on hold were not presented to the Bank for payment,

provided always that the Bank shall have the discretion to continue to place such amounts on hold if it is of the opinion that such Card Transactions would be presented for payment within a reasonable time. For the avoidance of doubt, the Bank's right to debit the Account in respect of any Card Transaction shall not be limited to the amount that was placed on hold in connection with that Card Transaction. It is hereby expressly agreed that the Bank shall be entitled to debit the Account for the full amount of the Card Transaction and if the amount of any Card Transaction is denominated in a currency other than Singapore dollars, the Bank shall convert the amount to Singapore dollars at such time and such rate of exchange as the Bank may determine in accordance with its usual practice. It is hereby further agreed that the Bank shall have the right to increase at any time the amount that it would hold in respect of any Card Transaction which is denominated in a currency other than Singapore dollars if the Bank is of the view that the amount initially held when converted into that foreign currency would not be sufficient to satisfy payment of that Card Transaction in full.

- 4.3 The Cardmember and/or the Carduser shall not use any of the Total Amount on Hold, notwithstanding any other terms and conditions governing the Account.
- 4.4 The Bank will send a Statement and a POS Record to the Cardmember or the Carduser on a monthly or other periodic basis but the Bank reserves the right not to send any Statement or POS Record for any period during which the Account is inactive. For the avoidance of doubt, it is hereby agreed that the Statement shall be evidence of the state of account between the Cardmember and the Bank and the terms and conditions for the operation of the Account shall apply in respect thereof (including but not limited to the terms governing the Cardmember's duty to verify the Statement and the conclusive evidence clause (if any) and that the POS Record is meant solely for the Cardmember's information and shall not be treated as a statement of account between the Bank and the Cardmember).
- 4.5 The Bank will only credit the Account with refunds made by any merchant or establishment in relation to any Card Transaction after the Bank receives a properly issued credit voucher.
- 4.6 Card transactions in foreign currencies other than US and AUD dollars, will be converted into US dollars before being converted into the Card billing currency based on the prevailing exchange rate determined by the relevant

card associations. MasterCard debit card transactions in foreign currencies will be subject to an administrative fee of 2.5% or such other amount determined by the Bank and the card associations. All MasterCard transactions effected in Singapore dollars and processed overseas are subject to an additional fee of 0.8% or such other amount as the Bank may determine.
