

ENJOY PAY-ON-THE-GO CONVENIENCE WITH VISA PAYWAVE

No signature, no swipe, no queues - all you have to do is wave your UOB One Card at an active Visa payWave reader and your transaction's complete! Available today at over 300 popular Visa payWave enabled merchant outlets in Singapore! The contactless Visa payWave feature on your UOB One Card has been designed to meet high global security standards so you can be assured that every time you wave and pay, you will enjoy the convenience and speed of contactless payments without compromising on the security of your account information or worrying about being over-charged or paying for what you have not purchased.
