Please complete the form and mail it back to us using the enclosed Business Reply Envelope.

Please allow 14 business days for your records to be updated.

I would like to register/update my contact details for the Card Security SMS Alert Service.

I will receive an SMS for the following transactions:

- $\checkmark$  First transaction made with a new or renewed credit/ debit card
- One-time password for internet purchase authentication at participating online 3D-Secure Merchants\*.
- ✓ High Value Transactions (above the threshold limit<sup>+</sup>)

The SMS alerts will be sent to the person whose embossed name is on the card. (Principal and Supplementary cardmembers, where applicable)

<sup>\* 3-</sup>D Secure (3DS) protocol is used by banks worldwide to authenticate online card transactions. Cardmembers will recognize the participating online 3DS merchants by the Verified by Visa, MasterCard or JCB SecureCode logos. When making purchases online, 3DS will prompt Cardmember to enter an OTP (One-Time-Password) to authenticate the transaction. If the OTP is correct, the purchase transaction will be processed and completed. This service will be implemented in Q3, 2010.

<sup>+</sup> The default threshold limit will be set at UOB's discretion and may vary from time to time.
