Zone 1

Accessible to Zone 1 ticketholders only

With spectacular views of the action on the Pit Straight and the first and final series of turns, Zone 1 ticketholders can enjoy full access to the F1 Village teeming with Formula One™ merchandise booths, bars, food outlets and activity stations. Look out for roving entertainment acts throughout the zone and performances by renowned artistes at the Village Stage. Past performers at the Village Stage include Adam Lambert, Boy George, Rick Astley and Tom Jones.

A Zone 1 ticket offers access to all four zones within the Circuit Park. With this ticket, patrons can also enjoy headlining performances at the Padang main stage as well as other world-class acts at the various stages in Zones 1 and 4.

Zone 1 ticketholders have exclusive access to the track after the final track activity on Sunday. Selected parts of the track are opened for a limited period which provides an alternative route for ticketholders to get to Zone 4 to catch the concert at the Padang stage.
