

## ZONE DESCRIPTION

### Zone 4

#### **Accessible to all ticketholders**

One of the main entertainment hubs within the Circuit Park, Zone 4 is open to all ticketholders. Spend hours enjoying the numerous food and beverage offerings, merchandise booths, activity stations as well as roving entertainment throughout Zone 4.

Bleachers are positioned at strategic trackside location throughout Zone 4 to provide walkabout ticketholders with vantage views of the cars racing past some of Singapore's most iconic landmarks.

Since the inaugural race in 2008, a host of megastars including BIGBANG, Jay Chou, Katy Perry, Linkin Park, Maroon 5, Rihanna and The Killers have performed at the Padang Stage, Singapore's biggest outdoor entertainment stage. Patrons can also explore the nearby Esplanade Outdoor Theatre stage where world-class entertainment will be performing throughout the weekend.

Zone 4 ticketholders can choose from numerous food stalls serving up local and international delights at the Hawker Village, or grab a refreshing drink at one of the many watering holes located within the F1 Village.
