Save, spend or invest – What can you do with your money

Let **My Money** (a 4-part series), bring you through the facts about the different types of savings and investment products, and tips on what you can do to grow your money in spite of this global financial crisis.

Grab this chance to learn more about your financial needs and the returns and risks accompanying different financial products.

Plus listen to views from Mr David Gerald, President and CEO, the Securities Investors Association of Singapore (SIAS) and Mr Jeremy Goh, Assoc Professor of Finance from the Singapore Management University Sim Kee Boon Institute for Financial Economics.

PROGRAMME HIGHLIGHTS

- Financial needs analysis – What you need to know.
- Traditional deposits and structured deposits – What's the difference?
- Understanding unit trusts.
- High returns, low risks – Is this possible?
