The High Yield Account Terms shall be read together with the Conditions and shall be considered an integral part of the Conditions.
- 1.2 Unless the context otherwise requires or the High Yield Account Terms expressly provide otherwise, all words and expressions used but not defined in these High Yield Account Terms shall have the same meanings as respectively defined in the Conditions and all words expressions having different meanings ascribed to them in the Conditions and these High Yield Account Terms shall have the meanings so ascribed to them respectively when used in the Conditions and these High Yield Account Terms respectively. 2. Opening of High Yield Account

- 2.1 A High Yield Account may be opened for one Customer singly or two or more Customers jointly provided always that every Accountholder of a High Yield Account shall be entitled to operate the High Yield Account singly.  - (b) in the case of a High Yield Account opened by two or more Accountholders, such Accountholders comprise all the holders of the Eligible Account;
 - (c) the relevant Eligible Account is not a trust account and is not already linked to any High Yield Account; and
 - (d) the Accountholder(s) of the Eligible Account have not opted out of receiving combined account statements in respect of the High Yield Account and each such Eligible Account when linked.
- 3.3 Unless otherwise determined by the Bank in its absolute discretion and subject to any additional eligibility criteria which the Bank may prescribe in its absolute discretion, an Eligible Account that is not automatically linked to a High Yield Account in accordance with Clause 3.2 of these High Yield Account Terms above may be linked to a High Yield Account upon a request (in writing and in such form as the Bank may prescribe) made by any holder of the Eligible Account provided that:

 - (i) that the Eligible Account be linked to the High Yield Account;
 - (ii) that once linked, any and all information relating to the Eligible Account is permitted to be disclosed by the Bank under the High Yield Account Terms at any time and from time to time to any and all Accountholders of the High Yield Account for the time being as long as the Eligible Account is linked to the High Yield Account; and

 - (b) the linking of an Eligible Account to a High Yield Account will not, by this reason alone, change the mandate of the Eligible Account for the time being instructed to the Bank.
- 3.5 A linked Account shall immediately cease to be linked to a High Yield Account:
- (a) if the linked Account or the High Yield Account is closed; or
 - (b) the linked Account ceases for any reason whatsoever to comply with any of the eligibility criteria in Clause 3.2 or 3.3 of these High Yield Account Terms above as the case may be.

Upon the Bank's approval of such request in its sole and absolute discretion, a linked Account shall cease to be linked to the High Yield Account with effect at such time as the Bank may specify to the holders of the linked Account and the Accountholders of the relevant High Yield Account in writing.

- 3.7 Upon an Eligible Account being linked to a High Yield Account, the linked Account shall be governed by the prevailing terms and conditions governing such linked Accounts (the "Other Terms") as supplemented by the High Yield Account Terms. In the event of any inconsistency between the Other Terms and the High Yield Account Terms, the High Yield Account Terms shall prevail to the extent of such inconsistency. These High Yield Account Terms (other than this Clause 3.7) shall cease to apply to any account when that account ceases to be linked to a High Yield Account (a "De-Linked Account"). For the avoidance of doubt, upon ceasing to be linked to any High Yield Account:
- (a) the De-Linked Account shall be governed by then prevailing Other Terms, without reference to these High Yield Terms (other than this Clause 3.7); and
 - (b) unless otherwise specifically requested in writing by the relevant holders of that De-Linked Account and approved by the Bank, the mandate for operation of that De-Linked Account (which was in force immediately prior to its linking to the High Yield Account) shall be automatically reinstated as the mandate for the operation of that De-Linked Account with immediate effect upon the cessation of its linking to the High Yield Account.

3.8 Notwithstanding anything herein, the Bank hereby reserves the right not to link any Eligible Account to any High Yield Account, and the right to cease to link any Eligible Account to any High Yield Account at any time, in its absolute discretion without giving any reasons or prior notice to any Accountholder or any holder of the Eligible Account.

- 9.2 The Bank may from time to time prescribe a monthly fee in respect of each Wealth Premium Account. In a case where the Accountholder gives the Bank any instruction in respect of a Wealth Premium Account (or issues a cheque in accordance with Clause 10 above), and if such instructions, when effected by the Bank (or if such cheque when paid by the Bank), would cause such account to be overdrawn, then upon the Bank exercising its discretion to grant an overdraft facility in respect of such overdrawn account, the Bank shall be entitled, upon written notice to the Accountholder, to designate any one or more of the Accountholder's Deposit Account(s) maintained with the Bank as a pledge.
